Cost-effective, Proven Field System

AIRCRAFT APPLICATIONS

Boeing MH-6 & AH-6 | MD Helicopters MD 500 & MD 530
Light and Medium Helicopters

ZEUS Z18 R-BAG

FLEXIBLE MISSION EXPANSION

The Zeus R-Bag is designed to support light and medium helicopter logistics in austere environments. These self-draining bags allow for rapid refueling in the field to extend time on station and/or extend the aircraft's range. Light, cost-effective, and easily stored, they can be hand carried by a single person and can also be used to fuel other equipment in the field.
